

ULTRA SILKY POLISHER

PERFECT

AN ISO 9001 : 2008 CERTIFIED COMPANY

USP3

Suitable for:

- ❖ Raw rice
- ❖ Steam rice
- ❖ Par boiled rice

Perfect's Ultra Silky Polisher is designed to gently polish the surface of the grain. In this machine the mixture of air & water is sprayed into the polishing chamber like a mist by means of a special atomiser.

Salient Features

- ❖ High degree of polishing due to long polishing rollers.
- ❖ Alloy steel rollers and screens for long life.
- ❖ Easy bran discharge from polishing chamber.
- ❖ Manometer to indicate air suction of bran blower.
- ❖ Dozing pump for precise control of water injected.
- ❖ Better yield of head rice with high degree of polish.
